

### **COVID-19 Update – Conditions of Entry**

Strathfield Sports Club is a COVIDsafe venue. The health and safety of our staff and patrons continues to be our number one priority.

After careful consideration, Strathfield Sports Club has decided to extend the mandatory vaccination policy of all patrons entering the club facility. It will be a club requirement that all patrons continue to provide proof of vaccination or have a medical exemption prior to access to the club. This **does not** extend to our sporting fields.

This policy will apply to all staff, contractors, members and guests over the age of 18 years.

We will review this policy in January.

We respectfully understand that this decision may impact some members. However, this decision has been after careful consideration to the health and wellbeing of all staff and patrons. We are exercising an abundance of caution to ensure the safety of all patrons and staff.

We kindly ask you to follow our COVID-19 Conditions of Entry listed below. We appreciate your understanding and support.

- You are required to check into the club using the Service NSW app, every time you enter the club.
- Strathfield Sports Club will remain a double vaccinated venue beyond the 15th December.
- Please provide proof of double vaccination with a COVID-19 digital certificate or immunisation history statement or alternatively a Contraindication certificate, which you must show every time you enter the Club.
- You are required to sign into the club with your membership card or as a guest of a member or visitor to the club, proof of identification is required.
- Physical distancing is required where possible.

If you have any further questions, please contact a member of staff. We are always happy to help.
